Office of the Director  
Central Intelligence Agency  
Washington, D. C.

Dear Sir:

I have just come into possession of a cloth map of Part of Burma and the Regions Adjacent, compiled in the Intelligence Branch, Quarter Master General's Department in India, in 1883, and classified then as "Absolutely Confidential", it was a Survey of India Department. I know that the CIA prepares maps and if you would like to have a copy of this 100 year old map for any purpose, you are most welcome to use it for any reason you might wish.

My office is located in the Bank of San Antonio Building, Suite 203, Phone: AC 512-224-5200.

Sincerely yours,

Ely I. Bergmann
